December 2024

Introduction

I hope you all had an enjoyable Christmas period and managed to spend time with friends and family. I was fortunate enough to have some time off and am now back to work in a year where I will celebrate a quarter of a century of policing.

December was an eventful month. I had time to visit some community Christmas events and partake in foot patrol at various locations. I was pleased to take delivery of a new all-weather jacket last month, which certainly came into its own, and I'm sure will continue to do so over the next couple of months.

I will try and attend as many local Parish Council meetings as possible in the coming weeks and months. Please feel free to contact me directly if you have any questions – email address attached. Please continue to report crimes directly to Kent Police via the Kent Police Website, calling 101 or calling 999 in an emergency.
